

NEWS FROM CHAIN OF LOVE HOMES, BRAZIL

May/June 2010

Dear praying partners of Chain of Love:

He's off to the army... A few weeks ago, Leandro joined the Brazilian army, a position desired by many but achieved by few. I took in his induction ceremony, accompanied by his proud COL parents, Cesar and Marli. Now that Leandro is in the army, he has left COL and just comes back occasionally to visit friends and family. We see his life and career choice as a success; shortly, we will transfer his sponsorship to other needy COL children. As I toured Leandro's barracks, I couldn't help but think that what COL offers children is far superior to any other institutional option in Brazil.

Now *that's* what we like to see! On Mother's Day the children in our church (most of whom are from COL) put on a cantata, accompanied by Andressa on keyboard and her housefather Anselmo on guitar. They sang their hearts out and did a wonderful job.

A BIG Thank you for our new office... Telmo and I are so blessed to be in our new office—it serves us fantastically well. We now have room for meetings, counselling, and being more efficient at our administrative work. New Office

Welcome Katrina... The Kidd family returns to Canada for home assignment (September 2010–February 2011). To ensure that the updates from your sponsored child and these newsletters continue uninterrupted, Katrina Watkins from Calgary, Alberta, who came to COL last year with a team from Leduc Fellowship Church, will be volunteering at Chain of Love.

God used my time at Chain of Love to confirm that He wants me to serve Him as a missionary. After prayerful consideration, I accepted this six-month ministry position and look forward to seeing God work in me and through me.

We are really excited that Katrina is coming. To help support her, please make your cheque payable to **Leduc Fellowship Church** and put **Katrina Watkins: Brazil 2010** on the memo line. *Leduc Fellowship Church, 4401 Rollyview Rd. Leduc, AB, T9E 7H4.*

New NAB Website The NAB's new website changes how you can access COL information and make payments to ministries and projects. If you need some coaching on how to use the new site, we are happy to help.
